Norm Stanek read the Resolution the first and second time. Jim Church moved to read the Resolution third time by title only, rules be suspended and placed before the Council for immediate action, seconded by Josh Lydon. Motion passed 8-0. Mayor Button read the Resolution the third time by title only and the Resolution was approved on a roll call vote 8-0.

The hearing for the renewal of Thumper's "Class B" liquor license was open for discussion. Becky Dingman, owner of Thumpers, admitted to making mistakes in the last year regarding the number of calls to the Police Department and how the bar was managed. She was issued several citations for not having a licensed bartender on the premises and for permitting underage drinking at the bar. The owner of the building, Art Villasenor, also spoke as he has been trying to help Becky in the last couple of weeks and giving her some guidance. He does not live in Wisconsin and he was not aware of how bad things were.

Chief Kuderer also spoke and stated that Becky is the only licensed bartender and she was not always available when checks were done. Therefore, she received warnings and citations. His recommendation of not renewing this license is also supported by City Ordinances regarding licensing.

Dick was asked what options the Council would have and the Council could decide not to renew, revoke the license later or suspend the license.

It was also noted that because Becky had liquor license violations, she wouldn't qualify for a bartender license.

The Mayor declared the hearing closed at 7:55.

A motion was made by Kevin Brueggeman and seconded by Carlos Holcomb to not renew the "Class B" Liquor license and Class "B" Beer license for Thumpers at 213 S. Water Street. Motion carried 8-0.

ORDINANCE NO. _____
ORDINANCE PERTAINING TO RESTRICTED PARKING ON RESIDENTIAL PROPERTIES

THE COMMON COUNCIL OF THE CITY OF SPARTA, MONROE COUNTY, WISCONSIN,
DO ORDAIN AS FOLLOWS:

Section 1. Section 10.65(1)(a) of the Code of City Ordinances is hereby amended to read as follows:

- (a) Vehicle: Any land or water vehicle which can be used for towing or transporting people or materials, including but not limited to, automobiles, trucks, buses, campers, boats, trailers and tractors.
- (b) Improved surface: Cement, brick, asphalt, pavers, recycled asphalt, or stone consisting of a coarse and fine aggregate with sufficient binder to produce a stable base for surfacing, free from vegetable matter, shale, and lumps of clay. Gradation shall be No. 2 as per Section 304.2.6 of the State of Wisconsin, Department of Transportation, Standard Specifications, installed so it does not drain onto neighboring property. It is not a sufficiently improved surface if only the areas under the tires are paved; provided, however, that existing cement strips leading to a parking area are permitted to remain in use.

(2) **PARKING RESTRICTIONS:**

- (a) No person shall keep, store or park any vehicle on any portion of a front yard or corner lot side yard facing a street of a property designed or used as a residence, except on an area that is an improved surface.
- (b) No owner, tenant, manager, or occupant of property used as a residence shall allow or suffer another person to keep, store or park any vehicle on any portion of a front yard or corner lot side yard facing a street, except on an area that is an improved surface.

(3) This section shall not prohibit:

- (a) An owner, lessee, or occupant of the property from repairing, washing, cleaning, or servicing personal property that is owned, leased, or rented by the owner, lessee, or occupant of the property, or
- (b) Repairing or servicing of a vehicle or part thereof within a completely enclosed building in a lawful manner where it is not visible from the street or other public or private property.

(4) Improved surface limitations:

- (a) No more than fifty percent of the required front setback for any lot containing a one or two-family dwelling or any lot located in any R-1, R-2, or R-3 or R-6 residential district with a frontage width of forty feet or greater shall contain an improved surface.
- (b) For lots which have a frontage width less than forty feet, improving the surface in the front setback area is limited to ten feet in width or fifty percent of the width of the lot at any given point, whichever is greater.
- (c) Notwithstanding subsection 1, for lots which have a frontage width less than forty feet, an improved surface area directly contiguous with, and providing primary access to, two side by side required parking spaces, may exceed the fifty percent limitation as long as it is no more than twenty-five feet long and eighteen feet wide.

Section 2. This ordinance shall be in full force and effect following its passage and publication as provided by law.
