WHEREAS, the City Council makes the following findings:

1. The name of the District shall be "Tax Increment Finance District #9, City of Sparta", a Mixed-Use type district; and
2. The boundaries of the District are described in the attached Project Plan that is incorporated by reference, and such boundaries are contiguous and of sufficient definiteness to identify with ordinary and reasonable certainty the territory included therein. Boundaries include only those whole units of property that are assessed for general tax purposes. The boundaries of the District do not include annexed territory that was not within the boundaries of the City within the last three years; and
3. The boundaries of the District will overlap a portion of existing Tax Increment Finance District #6, City of Sparta; and
4. The creation date of the District for purposes of determining the expenditure and termination periods shall be the date upon which the City Council approves a resolution adopting the Project Plan. For purposes of allocating tax increment the creation date shall be January 1, 2018; and
5. Not less than 50% of the real property in the District is suitable for mixed-use development, as defined under State Statute §66.1105(2)(cm); and
6. Newly platted residential development, as defined under Wis. Stat. 66.1105, will not exceed 35% of the area in the District; and
7. The City will only allow tax increment revenue to be spent on newly platted residential development in the District if one of the following three applies:
  - Density of the residential housing is at least three (3) units per acre, or
  - Residential housing is located in a conservation subdivision, as defined in sec. 66.1027(1)(a), Wis. Stats., or
  - Residential housing is located in a traditional neighborhood development, as defined in sec. 66.1027(1)(c), Wis. Stats.
8. The estimated percentage of territory within the District that will be devoted to retail business at the end of the maximum expenditure period is not anticipated to exceed 35 percent of the area of the District; and
9. The improvement of such area is likely to enhance significantly the value of substantially all other real property in the District; and
10. The project costs directly serve to promote orderly development consistent with the purposes for which the District is created; and
11. The equalized value of the taxable property of the District plus the aggregate value increment of all existing districts within the City does not exceed 12% of the total value of equalized taxable property within the City; and
12. The Project Plan for the District is feasible; and
13. Improvements to the District are likely to encourage and promote conformity with the City's planning policies and procedures; and

14. The development described in the Project Plan would not occur without the creation of TID #9.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Sparta, Monroe County, Wisconsin hereby approves and adopts the Project Plan for Tax Incremental Finance District No. 9 and creates Tax Incremental Finance District No. 9, said Project Plan being attached and incorporated by reference.
