The Sparta Police Department

The mission of the Sparta Police Department is to work in partnership with our community to enhance safety, protect life and property, and reduce crime.

The Sparta Police Department serves a population of over 10,000 residents, with 22 sworn officers, one evidence custodian, and two administrative assistants. With a location just off Interstate 90, we are a busy, growing community. The Department operates around the clock, typically responding to over 19,000 calls for service per year.

In 2021, the Sparta Police Department moved into a new facility. The new facility includes a large training room, fitness room, evidence packaging room, spacious offices, and updated technology for further expansion.

The Department is involved in various programs and officers have the opportunity to participate in special assignments including the Monroe County Combined Tactical Unit, the School Resource Officer Program, and the Bicycle Patrol Unit. Other opportunities afforded to officers include two K-9 Units and their Decoys, Honor Guard, our Drug Interdiction Team, Traffic Enforcement Teams, Evidence Technician positions, and Specialized Detective Roles (ICAC, narcotics, etc.).

The Sparta Police Department highly encourages ongoing training for all officers. Probationary officers are assigned to a Field Training Officer for the first sixteen weeks. Probationary officers are sent to numerous trainings such as Interview and Interrogation, Radar training, and Advanced Patrol Tactics/Basic SWAT. Progressive training is also provided throughout an officer's career. Officers who express interest in specialized areas including crime scene processing, drug investigations, firearms, ICAC Investigations, etc. will have every opportunity to explore those paths.

We hope you will consider joining our team. The Sparta Police Department is truly a fantastic place to work and you couldn't ask for better men and women to work alongside!
