SPARTA

The Bicycling Capital of America

SANITATION SUPERINTENDENT

CITY OF SPARTA (population 10,025) is seeking applications for the position of Sanitation Superintendent. This position is responsible for supervising employees and coordinating the sanitary sewer systems, wastewater treatment plant, and related operations within the Public Works Department, including construction and maintenance of sanitary sewer systems, vehicle and equipment maintenance, sanitary waste collection, and maintenance of municipal wastewater facilities. This position will also assist the Director with planning and coordinating the programs and services of the department, training department employees, formulating department goals and short/long range plans, preparing and administering the department budget, meeting management, and establishing standard operating policies and procedures for the department.

Required Minimum Qualifications: The successful candidate must possess a valid Wisconsin Driver's License. Experience in supervision, wastewater plant operations, lab work, and maintenance is required. Preference will also go to candidates with DNR subclasses A1, A2, B, C, P, D, and L certification and knowledge of lift station and collection systems. Electrical knowledge is also strongly encouraged. Any combination of education and experience which in the sole discretion of the City would demonstrate the Employee's ability to meet the required knowledge, skills, and abilities for the position may also be considered.

Wage / Benefits:

Salary Negotiable up to \$75,000+ DOQ, with an excellent benefit package. Full position description available upon request. Applications available online at www.spartawisconsin.org or at 201 W. Oak St. Sparta, WI.

Application deadline is 7 December 2021. Please send cover letter, resume, and application to dpw@spartawisconsin.org, or Director of Public Works, 201 W. Oak St. Sparta, WI 54656.
