I am aware of the contents of Sections 8.118 - 8-126 of the Sparta Municipal Code in regard to the laws governing street opening permits. I and/or my company agree to comply with said ordinances of the City of Sparta. I agree to perform this work in a manner that meets City design standards in utility installation, subgrade and pavement installation, curb cuts, sidewalk, and driveway approaches, and to comply with the conditions attached on the following page. It is understood that I, the undersigned, have the authority to enter into this application agreement on behalf of the company, firm or corporation named above. Should any portion of the street pavement or public utility fail as a result of this work during construction or within one (1) year of its completion, I agree to assume responsibility and liability and to pay for the City to repair the damage.
