CITY OF SPARTA
HISTORIC PRESERVATION MINUTES
March 16, 2022

PRESENT: Kevin Riley, Deb Moore, Sandie Perry, Mike Jamesson, Jennifer Wangen

ABSENT: Sheri Fanning

ALSO: Michelle Tryggestad, Todd Fahning, Friends of Sparta Free Library

Kevin Riley called the meeting to order at 5:31 p.m.

A motion was made by Sandie Perry and seconded by Jennifer Wangen to approve the consent agenda consisting of the minutes from the November 2, 2021 meeting. Motion carried 5-0.

Michelle Tryggestad, the Library Director, showed plans for the new library expansion project. The outside material will be similar to the older part of the building. The round windows in the front will be replicated in stone on the East side of the building and not as windows. The proposed entrance for the public will be on the East side with a handicap entrance and the staff will be entering and exiting on the North side which is also the emergency exit. The lower level will be the programming area, will possibly have a kitchen and could possibly be rented out. The upper level will have study rooms, conference rooms, and a fireplace in the bay window area. The current fireplace is not operating at this time but could be modified. They would like to repurpose some of the old windows and place by the staircase. The parking lot will be reconfigured and will probably lose 4 parking spaces that are available now.

Items for future consideration were:

Contacting owners of some downtown businesses regarding their window signage.

A motion was made by Jennifer Wangen and seconded by Mike Jamesson to adjourn at 6:05 p.m. Motion carried 5-0.
