Session 3: Monday May 23rd – Sunday May 29th

You may register online, in person, or by calling the Parks and Recreation office.

SPR Office Hours: M-Th 7:00am – 5:00pm, F 7:00-11:00am

Things to keep in mind while registering:

- We highly recommend registering online as we will have a lot of people calling and coming in. Call to get your online account set up.
- Children enrolled/reside in the Sparta School District will receive their first session of lessons free of charge paid for by the summer school program
- You may only register for one session at a time and once the session has concluded you may register for another session
 - This does not mean you will not be able to register for another session, it just means you must complete one session in order to register for a second or third if there is room available.
 - Example: If you register for session 1, you cannot register for session 2 until session 1 has concluded. Once concluded, the swim instructors will let you know what level to register for in session 2.
 - Meaning in the month of May you may only register for a single session (either session 1, session 2, or session 3)
 - If you are registered for session 1 you may register for session 2 starting June 23rd
 - If you are registered for session 2 you may register for session 3 starting July 14th
- **If you register for more than one session before your current session is completed you will forfeit all other sessions registered!**
- **If your child is registered for the wrong level, you will be removed from the session.**
- If you are suspected or found to be lying during the registration process about having signed up for previous sessions you will also have all future swim lesson registrations forfeited.

Please be honest and proactive with knowing what classes you want to register for prior to the opening day of registration.
